EDITED IMAGE & FINE-TUNED IMAGE

EDITED PHOTO

Photo already stylized + colour corrected without fine-tuning such as facial and body slimming. Photos are already like the portfolios with the standard of Sunny Photography, clients can then choose the offered numbers of photo to get fine-tuned next.

FINE-TUNED IMAGE

Edited Images (stylised + colour corrected already) selected by clients for further touch-up, especially for facial polishing / body slimming / flaw removal.

* If clients wish to fine-tune more photos then the plan offers, could pay extra fee HKD \$100 for each image.

* please be aware that Fine-Tuning is not to make the images exaggerate or fake, it's still supposed to keep clients looking natural without breaking the style of Sunny Photography. Clients could simply list out their request and let Sunny knows how you want the result.

PHOTOBOOK

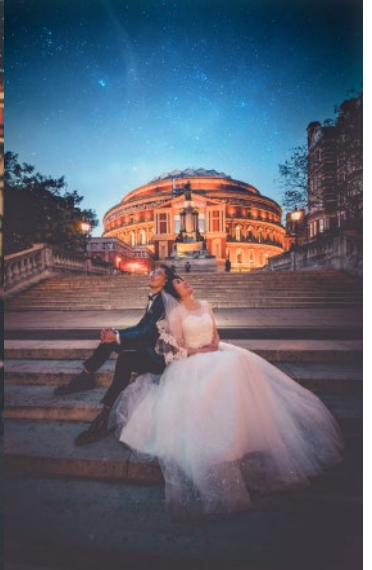

Photo Print-Out : Layflat Photobook (Leatherette Cover)

Size : 14 inch (40.6x29.1cm) | 20 Pages (10 Full Spreads)

* One Photobook included in packages, clients can choose with or without this service from package.

* Layout design is provided, clients can pick photos first before laying out (one modification is given)
